zules.com@gmail.com

User Experience Designer. I strive to improve the everyday lives of people by creating delightful experiences. As a disabled person, I naturally adapt to barriers and look for innovative solutions.

EDUCATION

Western Governors University

- BS User Experience Design (2026)

Professional Certificates

- Google UX Design
- Meta Front-End Developer (Expected: Spring 2026)

COURSEWORK

WGU Excellence Awards:

- Composition
- Navigating Complex Problems
- Systems Thinking and Applications

Capstone Project:

- Executed an unmoderated usability study with think-aloud methodology
- Recruited participants and documented data following ethical research practices
- Delivered an updated interface design from research insights
- Commended by the client for thoughtful project execution and deep understanding of user pain points

Other key courses:

- Leveraging AI and Technology in Design
- Prototyping and Iterating I & II

EXPERIENCE

Comics Publisher **2015 - 2024**

Directed end-to-end comic book production across print and digital platforms. Fully responsible for writing, illustration, book formatting, and website management as an independent artist and author. Created over 1200 pages. Ran online events to boost community engagement and accrue reader donations from a global audience. Achieved a five-star Amazon rating for the book, reflecting strong audience resonance and reader satisfaction.

Freelance Artist **2009 - present**

Took commissions for custom logos or illustrations and worked with clients to produce artwork to their specifications. Prioritized timely delivery and client satisfaction.
